The Warden has further recommend that pursuant to 18 USC §4243(f) Mr. Stockham be released under the following conditions:

2. He shall continue to take medication as ordered and as may be adjusted by his treating psychiatrist.

3. He shall participate in mental health programs deemed therapeutic by his treating mental health professionals or supervising United States Probation Officer. This would include voluntary admission to a psychiatric hospital on an inpatient basis.

4. He shall refrain from illegal drugs and alcohol usage, submit to random urinalysis testing as requested by his treating mental health professionals or supervising United States Probation Officer. He shall participate in substance abuse treatment if it is deemed appropriate.

5. He shall abstain from owning or possessing firearms or any other weapons.

6. He shall be supervised by the United States Probation Office, Southern District of California. This includes waiving his rights to confidentiality and his voluntary consent to the release of information between his Probation Officer and treating mental health staff.

In light of the foregoing, and pursuant to 18 USC §4243(f) it is hereby ORDERED that Mr. Stockham be conditionally released pursuant to the above-noted conditions recommended by the Warden.
